

RETURN IN 5 DAYS,

Homoeopathic Medical & Surgical Hospital
& Dispensary of Pittsburgh.

Pittsburgh, Pa. Oct 19th 1898

My Dear Girls: -

You notice I use the plural
in spelling Girls. and that means that
my little remembrance now is for all
our Pittsburgh girls.

I think of you often and hope you
are all well. We are exceedingly busy
in the house now. Every private room
full and the wards filling rapidly
except E ward which has but four
patients.

There are but few calls for nurses
at present - there being but little sickness
in the City.

Miss Keatlock is home. Also Mrs Harrah
and Miss McKee. Miss Lindly comes
home for a week or two to nurse -
a friend of hers who undergoes an
operation here at the hospital.

The other girls are all away yet - but I
think Miss Rodgers starts home in about

a week.

I shall continue to think of you
often and remember you in my
prayers.

With lots of love

Ida F. Giles.
